

ALLURE OF THE SEAS DEBUTS NEW RESTAURANTS AND TANTALIZING MENUS
Twenty Six Inventive Dining Options Cater to Any Craving

MIAMI – Royal Caribbean International’s *Allure of the Seas*, the world’s largest and most innovative cruise ship, a title she shares with sister-ship *Oasis of the Seas*, presents new culinary concepts and tempting twists to signature Oasis-class restaurants. With 26 dining options to choose from, *Allure* introduces several novel restaurant concepts for those looking for a range of special epicurean experiences.

Something delectable is brewing onboard at the first **Starbucks** at sea on *Allure of the Seas*. Whether it’s a jolt of made-to-order espresso, a favorite Grande non-fat latte or a frothy Frappuccino – guests need look no further than the Starbucks located in the ship’s Royal Promenade. From Latin American flavors at the Brazilian churrascaria **Samba Grill** in the Solarium and Mexican cuisine at **Rita’s Cantina** in the Boardwalk to a sophisticated dinner experience with Chef de Cuisine Molly Brandt at 150 Central Park, *Allure* offers guests a variety of new dining options for any time of day or night.

After an eight-week “*Allure* Culinary Challenge” co-hosted with The Culinary Institute of America, alumna Molly Brandt nabbed the title of Chef de Cuisine of *Allure*’s fine dining venue, **150 Central Park**. Brandt has developed a one-of-a-kind menu and distinct dining experience in an ambiance that embraces mellow earth tones, unique textiles and fixtures inspired by nature’s four seasons and décor inspired by the simple elegance of trend-setting restaurants in Chicago, New York and Los Angeles.

Samba Grill, a Brazilian steakhouse that comes to life for dinner service in the Solarium, features authentic Brazilian-style meats and seafood dishes, from Picanha cut sirloin steak to Atlantic salmon marinated with sea salt and garlic, served table-side and sliced straight off the skewer. Samba Grill is embellished with a lively ambiance of colorful lights and Brazilian style music that brings exciting, new energy to the venue on the ship’s top deck.

Combining the best of classic Mexican beach bars and Southern California’s famed taquerias, **Rita’s Cantina** is a vibrant new restaurant in the Boardwalk neighborhood. Adults and kids alike can enjoy some of their favorite Mexican fare, such as shrimp ceviche tostadas, warm tortilla chips with salsa and fiesta guacamole, as well as entrées including fajitas, fish tacos and Chipotle-style flautas. The more casual setting is an ideal lunch, snack or dinner spot for guests seeking a flavorful fiesta. Offering some of the best and the widest selection of margaritas at sea, guests choose from authentic and signature concoctions, or create their own from the extensive list of quality tequilas, variety of fruit-flavor combinations, and have it served frozen or on the rocks. In addition, the restaurant introduces new nightlife to the Boardwalk neighborhood with live guitar music, drinks and dancing. Rita Cantina’s design includes large open breezeways and an outdoor seating area complete with high top tables and stools, and is located in place of the Seafood Shack onboard sister-ship *Oasis of the Seas*.

Also new to Boardwalk's dynamic and engaging scene is **The Boardwalk Dog House**, an outdoor hot-dog specialty counter located where The Donut Shop is located on *Oasis of the Seas*. Choose from traditional hot dogs, wieners, brats, sausages and other delicious linked meats and a variety of toppings to split a long bun. The Donut Shop remains on the Boardwalk in a new location next to the Ice Cream Parlor.

And as the first ship in the fleet to feature Royal Caribbean's exclusive DreamWorks Animation experience, children, grandparents and everyone in between can join DreamWorks Animation's most beloved characters for breakfast in *Allure's* Adagio Dining Room.

"Guests onboard *Allure of the Seas* have a new arrangement of dining experiences throughout the ship, from the Adagio Main Dining Room to new venues on the Boardwalk and Royal Promenade," says Lisa Bauer, Senior Vice President, Hotel Operations, Royal Caribbean International. "Many of *Allure's* new dining venues not only offer more culinary variety, but also introduce new dynamic and colorful nightlife ambiance for adults, with Samba Grill in the Solarium and Rita's Cantina in the Boardwalk neighborhood."

The following is an overview of the variety of the palate-pleasing options available throughout *Allure's* neighborhoods:
