

MUSIC HALL: THE HOTTEST LIVE ENTERTAINMENT VENUE AT SEA
Quantum Class Presents Two Decks of Cutting-Edge Music and Themed Events

MIAMI – A performance hall and the hottest music venue on the Quantum class of ships, Music Hall is the ultimate place for guests to enjoy intimate and exclusive access to live performances, DJs, theme night parties, billiards and more, all showcased in a state-of-the-art setting. During the day, the venue offers multiple activities ranging from dance classes to improv workshops, while at night, Music Hall comes alive as the heart of the ship's music scene.

Rebellious and edgy in design, Music Hall's two stories, spanning Decks 3 and 4, is inspired by the spirit of rock and roll. The décor is deep in rich tones with touches of leather and mirrors. A tufted wall features glowing LED buttons, long red velvet draperies accented with chains and tassels, and distinctive furniture round out the baroque-inspired space, with a massive chandelier serving as the centerpiece on the upper level. With live music in mind, Music Hall is purposely designed for unobstructed views of a raised main stage, creating optimal views from any area, including the balconies on a mezzanine level.

Music Hall will be open daily and offers two full-service bars with seating, one on each level. The upper level features multiple self-leveling billiard tables offering delicious light bar fare in the evenings.

Additional details about dining, entertainment and other unexpected features and amenities on *Quantum of the Seas* will be unveiled in the coming months.
