

**ROYAL CARIBBEAN'S NEXT GREAT ADVENTURE HAS ARRIVED
WITH THE DEBUT OF ANTHEM OF THE SEAS**

Cruise Line's New High Tech Ship Sets a New Standard for Cruise Vacations and At Sea Experiences

MIAMI, April 15, 2015 – Royal Caribbean International's newest ship, *Anthem of the Seas*, sailed into Southampton Cruise Port today with a lineup of unexpected experiences at sea bringing thrilling adventures to guests of all ages. From the RipCord by iFLY sky diving experience and the North Star, a glass observation capsule that takes guests more than 300 feet above the ocean, to futuristic entertainment, a robust culinary experience and game-changing technology that encompasses everything from robotic bartenders to superfast wireless connectivity, *Anthem of the Seas* will allow guests to vacation like never before.

Anthem of the Seas will sail her inaugural spring and summer season from her homeport of Southampton, U.K., offering Europe and Mediterranean itineraries. In fall 2015 she will cross the Atlantic to make Cape Liberty Cruise Port in New York Harbor her permanent home, sailing to the Caribbean. No matter where she is or what water she's plying, *Anthem* will treat guests to an incomparable vacation experience that can only be found on Royal Caribbean. Highlights of *Anthem of the Seas* include:

Unexpected at Sea Adventures

Endless experiences await guests onboard *Anthem of the Seas*, with thrills that can only be found on Royal Caribbean. From **North Star**, providing guests breathtaking, panoramic views from 300 feet above sea level, to **RipCord by iFLY**, the first skydiving experience at sea, and **SeaPlex**, the largest indoor active space at sea that is complete with bumper cars, a circus school, roller skating and more, there is no end to the fun that can be found onboard.

Multi-Dimensional Entertainment

Be it day or night, *Anthem of the Seas* will keep guests inspired and entertained. An extraordinary lineup of multidimensional entertainment onboard *Anthem of the Seas* will delight guests of all ages in a variety of state-of-the-art venues, including **Two70**, where a combination of live performers and technology come together to deliver spectacular, multidimensional shows and events that have never before been seen on land, let alone at sea. The **Royal Theater** is home to the ship's two main shows, "We Will Rock You" and "The Gift," while **Music Hall**, the hottest live music venue at sea, keeps guests rocking and dancing the night away.
