HARMONY OF THE SEAS AMPS UP FUN FOR THE ENTIRE FAMILY

World's Largest Cruise Ship to All-New Adventure Ocean Youth Programming and New Family Amenities

MIAMI, January 26, 2016 – Royal Caribbean International is taking family fun to new heights onboard its newest ship, *Harmony of the Seas*. Guests setting sail aboard *Harmony* to Europe's most popular destinations in the Western Mediterranean will be able to enjoy more family-friendly offerings than ever before, such as enhanced entertainment in the award-winning Adventure Ocean youth program, and a new collection of family amenities -- two thoughtful collections of experiences that highlight what travelers tend to enjoy most on vacation: eat, play, drink -- in the signature balcony staterooms boasting views of the distinct Central Park and Boardwalk neighborhoods. Combined with The Ultimate Abyss, the tallest slide at sea, The Perfect Storm trio of water slides and Splashaway Bay interactive aqua park for kids, *Harmony of the Seas* will bring a jolt of adventure for the entire family aboard the world's largest cruise ship when she arrives in May 2016.

DreamWorks Animation Characters Set Sail

Royal Caribbean's younger guests can enjoy an exhilarating line-up of activities, from story time to dance parties, games and adventures rooted in the popular DreamWorks Animation films at the complimentary, award-winning Adventure Ocean youth program. Only on Royal Caribbean, parents and kids alike can enjoy peace of mind knowing that they have guaranteed seats on "opening weekend" of highly anticipated feature films such as "Kung Fu Panda 3," which premieres onboard the same day it does in theaters on land. Year-round, guests can watch the latest and long-term favorite DreamWorks Animation films in the ship's 3D movie theater and on a dedicated DreamWorks TV channel in their stateroom.

Enhanced Adventure Ocean Programming

Royal Caribbean's complimentary, award-winning Adventure Ocean youth program will continue to offer young guests, ages three to eleven, an entertaining line-up of activities and games rooted in fun and excitement. New to be offered in *Harmony's* Adventure Ocean Theater is **Away We Go!**, a black light puppet show created by Tony® award-nominated actors and imaginative producers John Tartaglia by and Michael Shawn Lewis of Gable Grove Productions.

Additionally, programming by “Muffalo Potato” – the popular YouTube show, which teaches kids to draw anything in minutes using only letters and numbers – will round out *Harmony’s* lineup. Muffalo Potato originally debuted aboard *Anthem of the Seas* and will expand fleetwide just in time for summer vacations, starting with *Harmony of the Seas*.

New Family Amenities for Central Park and Boardwalk Staterooms

Families vacationing together on *Harmony of the Seas*, as well as *Oasis of the Seas* and *Allure of the Seas*, will be able to take advantage of the new collection of added benefits to balcony staterooms overlooking the Central Park and Boardwalk outdoor neighborhoods. Starting in November 2016, the signature views will be complemented and enhanced with amenities that feature the best of what each neighborhood has to offer. Guests with views of Central Park – a revolutionary design in which the center of the ship opens to the sky, and features lush, tropical grounds spanning the length of a football field – will enjoy lunch for two at Jamie’s Italian, serving rustic Italian favorites from world-renowned chef Jamie Oliver, onboard *Harmony of the Seas* or Giovanni’s Table onboard *Oasis* and *Allure of the Seas*; a complimentary bottle of red wine upon arrival; and special perks in the Casino Royale. Guests with Boardwalk views – a neighborhood inspired by the nostalgic boardwalks of yesteryear – will receive lunch or dinner for four at Johnny Rockets, a family favorite featuring old-fashioned burgers and fries; a soda beverage package for two; and private time on the cruise line’s iconic 38-foot tall rock wall.

Harmony of the Seas, the world’s largest cruise ship, will span 16 guest decks, encompass 227,000 gross registered tons, carry 5,497 guests at double occupancy, and feature 2,747 staterooms.
