MORE ALASKAN ADVENTURES THAN EVER: ROYAL CARIBBEAN'S *QUANTUM OF THE SEAS* TO SET SAIL FROM PACIFIC NORTHWEST FOR THE FIRST TIME

World's First Smartship to Join Ovation, Radiance and Serenade of the Seas for Summer 2021

MIAMI, March 18, 2020* – [Royal Caribbean International](#) game-changing ship, [Quantum of the Seas](#), will give guests the chance to immerse themselves in unforgettable Alaskan destinations when it sails from the Pacific Northwest for the first time in May 2021. Marking the cruise line's biggest Alaska season yet with four ships, *Quantum* will make her Seattle debut, sailing 7-night cruises, leaving on Mondays, alongside sister ship *Ovation of the Seas*, which will continue departing on Fridays.

Quantum's summer 2021 Alaska itineraries open for sale today. The additional cruises build on Royal Caribbean's previously announced [summer deployment for Ovation, Radiance and Serenade of the Seas](#), sailing from Seattle, Vancouver, British Columbia, and Seward, Alaska.

Multigenerational families will have more opportunities than ever to make memories day and night with maxed-out adventures, deck-defying thrills and stunning views of Alaska's natural beauty on *Quantum's* bucket-list worthy cruises. From sailing through Endicott Arm Fjord with 360-degree views of the Alexander Archipelago to kayaking in the Sitka Sound and panning for gold in Juneau, the unique scenery and experiences of the Last Frontier will make for unforgettable vacations.

On board, one-of-a-kind experiences come to life for guests in cutting-edge and transformative venues, such as [Two70](#) with its expansive floor-to-ceiling windows offering breathtaking 270-degree views of the ocean by day and transforming into an unparalleled theater by night. The high-tech lounge also known for its signature **Roboscreens** – a troupe of six agile screens, each measuring over 7 feet tall, controlled by nimble robotic arms – features next-generation entertainment that seamlessly fuses performance art and technology for immersive, live theatrical productions. New to *Quantum*, a new signature game makes its debut on guest's mobile devices. **Expedition Two70**, available exclusively in the multifaceted lounge, is a custom, room-scale augmented reality experience that transports guests to a different world of adventure through action-packed challenges.

(more)

The adventures continue aboard *Quantum* with a bold lineup of activities, including the **North Star** glass observation capsule that rises 300 feet above sea level, skydiving and surfing, cocktails served by robots at the **Bionic Bar**, and **SeaPlex**, the largest indoor activity space at sea – home to bumper cars, trapeze school, roller skating, a basketball court and gaming. The ship also features 18 dining options serving up flavors from around the globe, ranging from imaginative cuisine at **Wonderland** and authentic rustic fare and handmade pasta at **Jamie’s Italian**.

About Royal Caribbean International

[Royal Caribbean International](#) has been delivering innovation at sea for more than 50 years. Each successive class of ships is an architectural marvel featuring the latest technology and guest experiences for today’s adventurous traveler. The cruise line continues to revolutionize vacations with itineraries to more than 275 destinations in 68 countries on six continents, including Royal Caribbean’s highly anticipated private island in The Bahamas, Perfect Day at CocoCay, the first in the Perfect Day Island Collection. Royal Caribbean has also been voted “Best Cruise Line Overall” for 17 consecutive years in the *Travel Weekly* Readers’ Choice Awards.

Media can stay up to date by following [@RoyalCaribPR](#) on Twitter and visiting [RoyalCaribbeanPressCenter.com](#). For additional information or to make reservations, vacationers can call their travel advisor, visit [RoyalCaribbean.com](#) or call (800) ROYAL-CARIBBEAN.

***January 2021 Update:** Royal Caribbean canceled *Quantum of the Seas’* 2021 Alaska sailings. Following the success of its “Ocean Getaways” in Singapore, *Quantum* will stay in Asia-Pacific for the 2021 summer season.
