Royal Caribbean Group Extends Suspension of Cruising

MIAMI, Oct. 6, 2020 – Our primary goal continues to be a healthy return to service for our guests, crew and the communities we visit. As we work with the U.S. Centers for Disease Control and Prevention and others toward this shared goal, Royal Caribbean Group will be extending the suspension of sailings to include those departing on or before Nov. 30, 2020, excluding sailings from Hong Kong. Celebrity Cruises will also be suspending their full 2020/21 winter program in Australia and Asia. Additionally, Azamara will be suspending their 2020/21 winter sailings throughout Australia and New Zealand, South Africa and South America.

We will be reaching out to our guests and travel partners to share further details and address any questions or concerns they may have.
